Featured Gardens

Live music and plain air artists will be present in some gardens for your enjoyment.

This year's Garden Tour features several gardens on historical properties. They are indicated by a blue dot.

The Shaw Guild Garden Tour takes place rain or shine.

These beautiful gardens, lovingly and creatively designed, have been generously opened up by the owners for your enjoyment. We ask that you please treat their properties with respect.

Master Gardeners will be available at every garden to answer your questions.

Photography of the gardens is permitted for your personal use only.

Leashed service animals only will be admitted into the gardens with their owners. No other pets are allowed.
